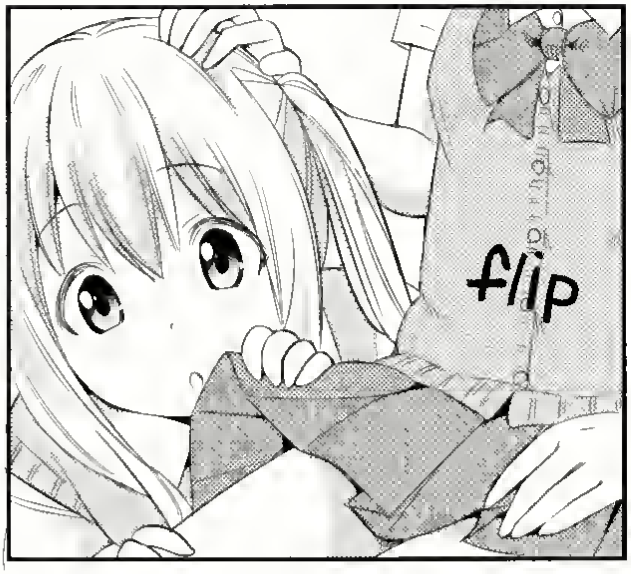
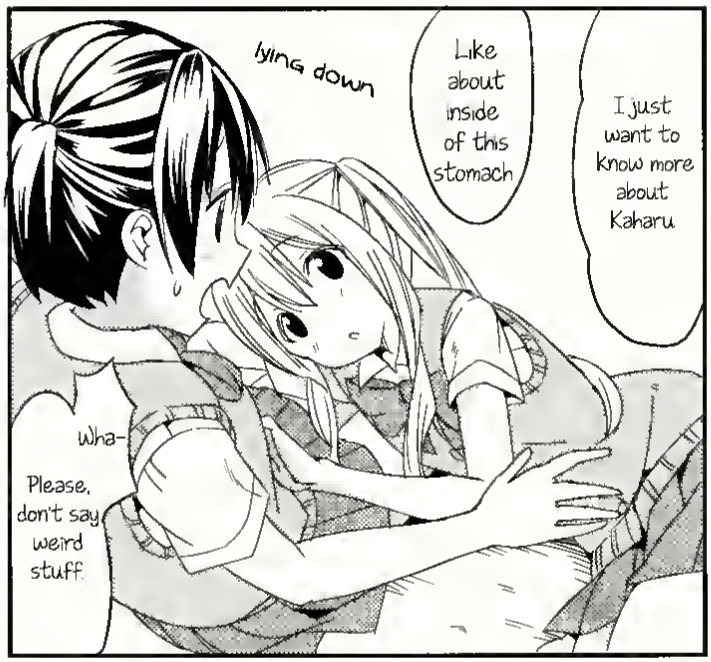
Whenever it's time to go back after homeroom finishes,
Let's go back!
Hinoko always rushes over to me.
Kaharuuu I missed you sooo much
Gee

So we'll be always able to be together
You ok?
My throat burns...
?
Agh

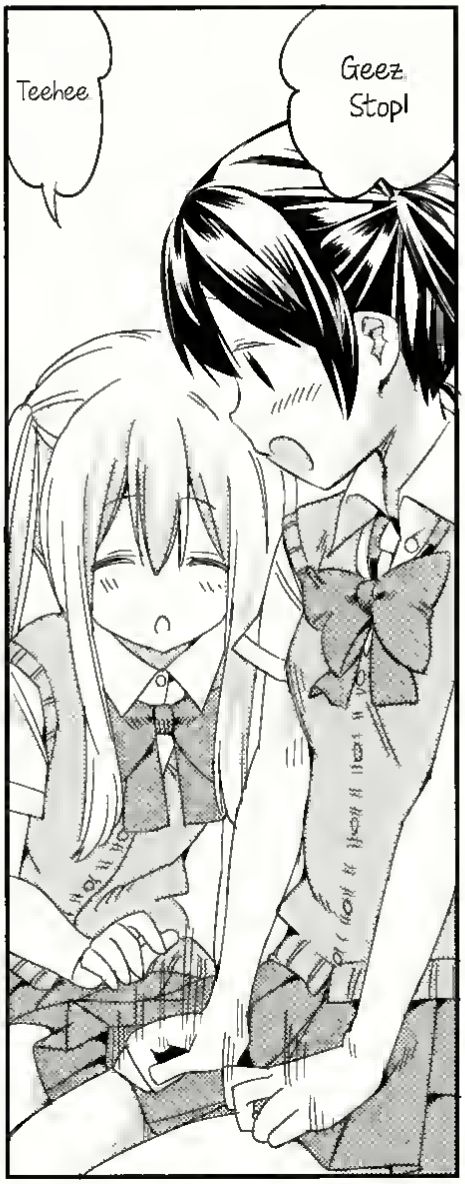
So that's how Hinoko's inside looks like...
Ba-dum Ba-dum
Aaaaa
I see it...! I think so...
...
Eeee...
Kaharu's inside...
It's unfair for only Kaharu to see I want too
Okay...
BUSS
Aa



flip



lying down
Like about inside of this stomach
I just want to know more about Kaharu
Wha-
Please, don't say weird stuff

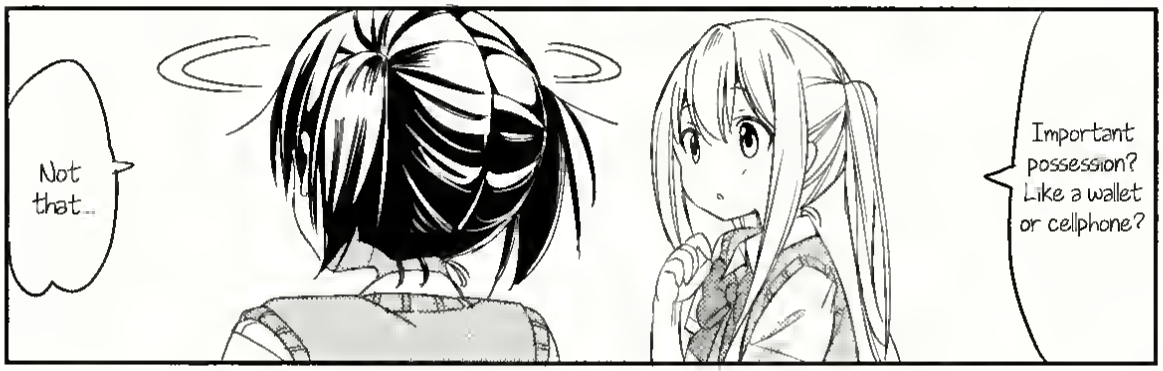


Teehee
Geez Stop!

I wonder why we weren't born in the same body

After we graduate, let's live together then
Yup
I don't want to go home as well
You know... I really hate being separated from you, like during classes
Squeeze
H-hey, Hinoko...
...

Say, if for the time we are separated during classes,
we'd exchange each other's important possession,
wouldn't it distract you from feeling lonely?



Important possession? Like a wallet or cellphone?
Not that...

More like, and such... pa
!

Let me tell you.

N-No way I'd do it..
It's way too embarrassing...
Y-you're right
What am I even saying...
Let's try exchanging wallets...
...
Alright
Let's try it once
Hino-ko..
Let's!

Yeah...
W-well then, let's do it..
Sure.
O-obviously don't look
put
pull down

put on
Ba-dum
Ba-dum

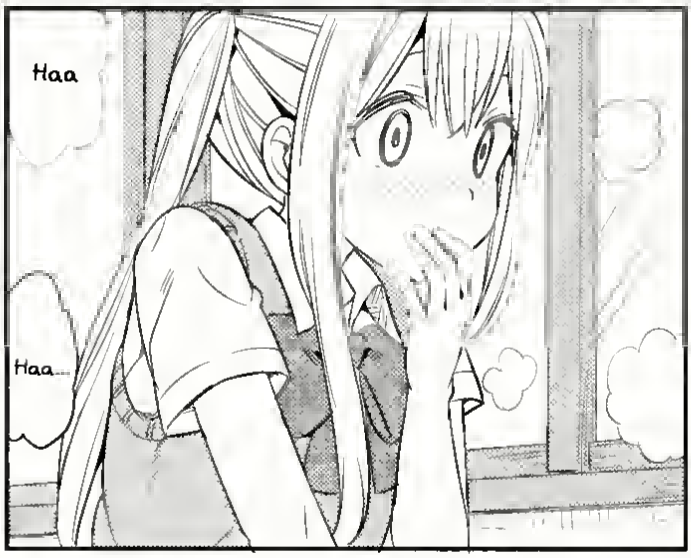
...!



Haa
Haa...

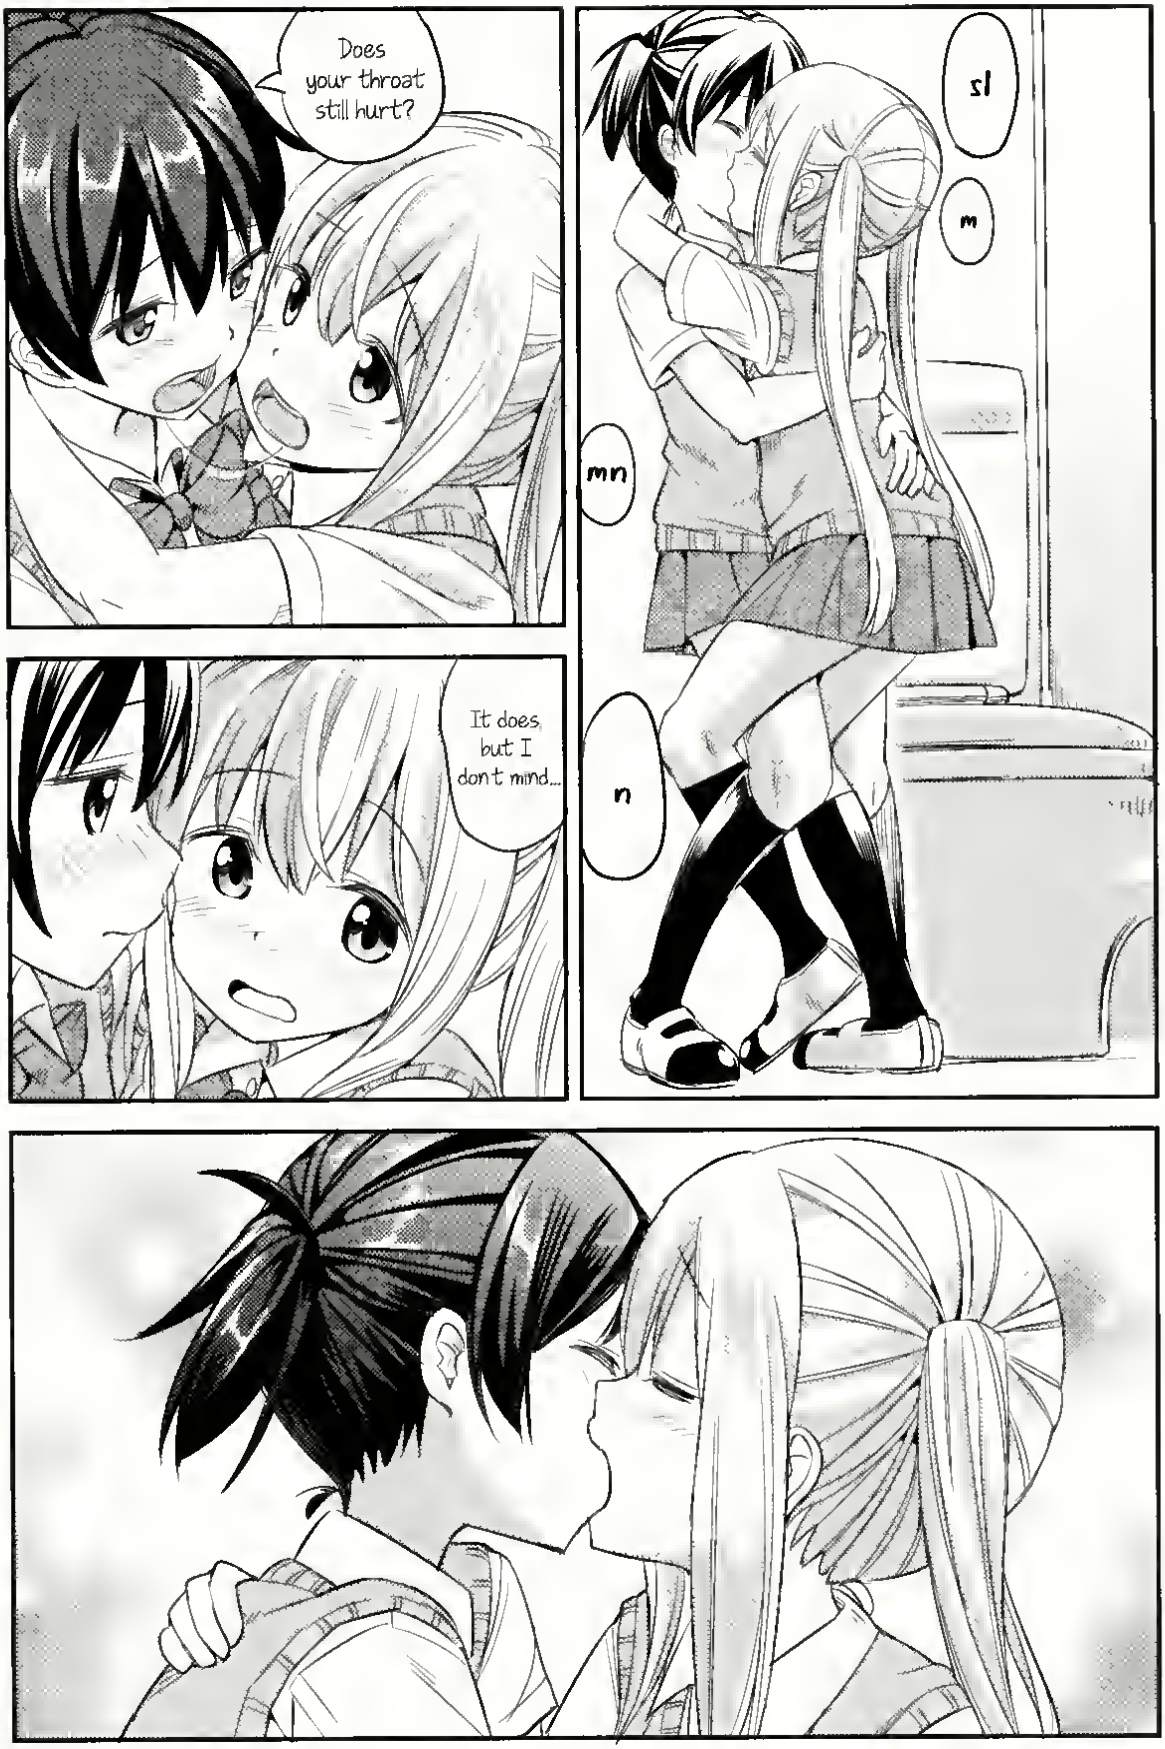
Haa
Haa

I can't focus on the lesson at all...

My head is filled up with thoughts about Hinoko.
It's not just my heart, my whole body is trembling ...

Is Hinoko the same way..?
...
ba-dum
ba-dum
Does Kaharu experience the same thing right now..?
Kaharu...
shiver
I don't feel lonely but I can't stop this strange sensation
?
Ai

It was sooo close.
It really was!
But I did surprisingly feel like I was together with Kaharu
Me too, my entire body was filled up with Hinoko
That being said, it's still bad
I might become even more unable to be apart...
Yeah



Does your throat still hurt?
It does but I don't mind...

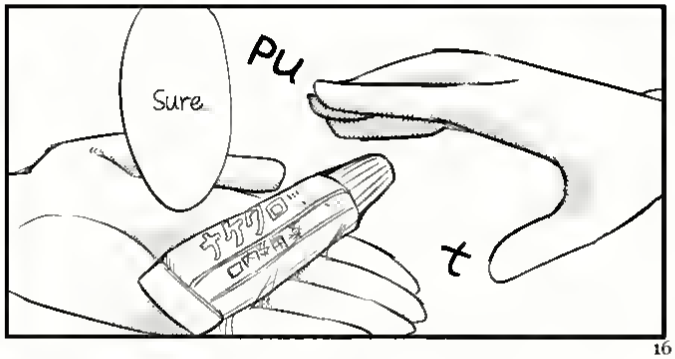
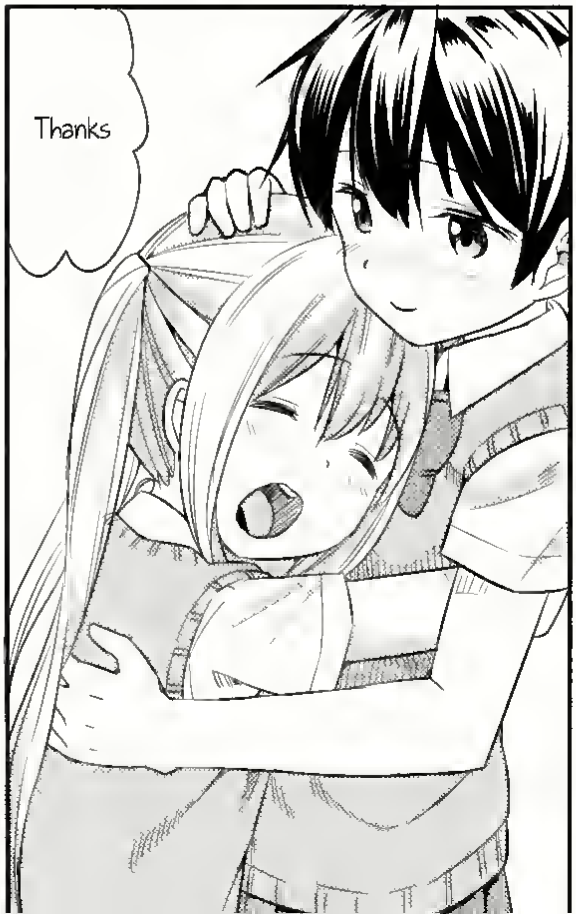
Aaa

I brought ointment with me, hoping Kaharu would apply it for me
That reminds me...



Sure
Pu
t

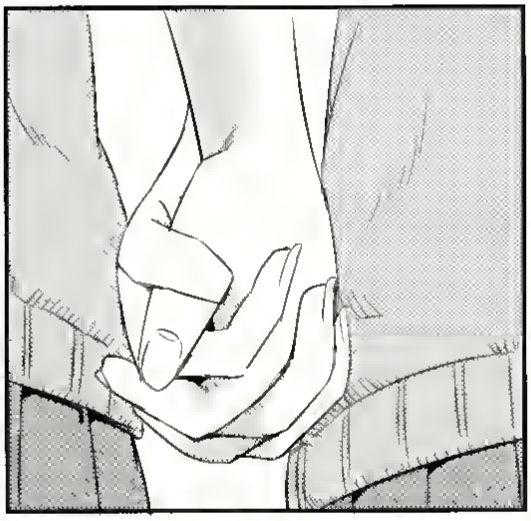


Thanks

Yup
Did I apply it properly?

This...
I have a feeling it will be bad if we get hooked on it
I guess doing it just once a week would be better

Also, we should do it when it isn't our turn to be pick-ed
Good point



While in class, I kept on thinking it'll be bad if I'm picked
Me too, me too

あとがき

こんにちは。マウンテンプクイチと申します。
本を手にとっていただきありがとうございました。
今回は冬コミ本で予告しました通り
ちょっとイってる感じの内容になってしまいました。
ありそうで多分無いというテーマでした。

トイレの個室で二人になるのっていいですよね。
最も手軽ですし現実的にありえそうと言えます。
とは言え他人に見られないように入らなければならず
声にも気を使わなければならないので
適度な緊張感がありドキドキしそうです。
学校はもちろんのこと球場のトイレや駅のトイレ
いろんなところを描きたいです。

次の創作本は(当選すれば)夏コミになりそうです。
それでは今後ともよろしくお願いします。

Original Girls Love Story

Nevrilicious Scans

Because it isn't true love if you don't wear each other panties <3
Our adorable dorks are back and kinkier than ever!
Seriously, I'd never guess that would be their solution to loneliness x3"
With this chapter we learned an important fact. Even slice of life yuri doujins can have plot holes! So in this book author decided to reveal Hinoko as being ambidextrous. The thing is Hinoko is clearly right-handed as seen previously:

My best guess is that during break between those 2 one shots, author forgot about that scene and when she was writing that trivia, she simply didn't put much thought into Hinoko's handedness and just made her the same as Kaharu.

Another thing, it seems I messed order a bit. I just picked Letting Go first to translate since it was so hardcore, but chronologically it is forth story in series, while this one is fifth, making the last one third. Sadly that means it will be much more vanilla than the other two. Still I bet it will be just as cute and enjoyable like the rest. Can't say when I will get to it, but will try to do it sooner than this one.

That is all for this one. Thanks for reading my translation <3

PS: Yes, this author seems to not be able to draw kisses well xD
